James Rosscup - Calvin was not only a great theologian but also a great expositor, and his insight into Scripture contributed to his grasp of doctrinal truth. His commentaries are deep in spiritual understanding, usually helpful on problem passages, and refreshing in a devotional sense to the really interested reader. He usually offers good help on a passage.

James Rosscup - This old, conservative Wesleyan Methodist work is good devotionally and aggressive for righteous living. Laypeople can find it still valuable today. It is Arminian in viewpoint and thus helpful, for example, in showing the reader how this approach deals with texts involving the eternal security question. The work contains much background material from many sources on all books of the Bible.

James Rosscup - Though often scanty, the work edited by a brilliant scholar is sometimes very helpful. Ellicott was an Anglican bishop. The New Testament part is more valuable. The work dates back to 1897 and is verse by verse, consisting of 2,292 pp. Ellicott was an outstanding Anglican conservative scholar of the 19th century in England.

A C GAEBELEIN

- [1 John 4 Commentary](#)

Rosscup - This dispensationally oriented work is not verse-by-verse, but deals with the exposition on a broader scale, treating blocks of thought within the chapters. The author was a popular evangelical Bible teacher of the first part of the century, much like H. A. Ironside in his diligent but broad, practical expositions of Bible books. Gaebelein was premillennial and dispensational, and editor for many years of Our Hope Magazine.

Rosscup - His commentary is evangelical, wrestles with texts, is often wordy and not to the point but with worthy things for the patient who follow the ponderous detail and fish out slowly what his interpretation of a text is.

MATTHEW HENRY

- [1 John 4 Commentary](#)

Rosscup - This evangelical work, devotional in character, has been in constant demand for about 280 years. Its insight into human problems is great, but it often does not deal adequately with problems in the text. The one-volume form eliminates the Biblical text and is thus less bulky. It has sold very well. The late Wilbur M. Smith, internationally noted Bible teacher, seminary professor and lover of books, tabbed this "The greatest devotional commentary ever written" (cover, 1 volume edition). Henry was born in a Welch farmhouse, studied law, and became a Presbyterian minister near London. He wrote this commentary in the last 13 years before he died at 52 in 1714. The first of six volumes was published in 1708. He completed through Acts, and the rest of the New Testament was done by 14 clergymen

D EDMOND HIEBERT

- [1 John 4:1-6 - Excellent](#)
- [1 John 4:7-21 - Excellent](#)

James Rosscup has the following note on Hiebert's book [The Epistles of John An Expository Commentary](#). Note that the links below are to Hiebert's articles in Bibliotheca Sacra which form the basis for his formal published work. Thus Rosscup writes that Hiebert's work "is one of the best medium-length (here 371-pp.) explanations that is serious and clear to deal with most key matters, not pass them by. Hiebert sees ways to have assurance of real salvation, and 1Jn 5:13 as a key for the whole epistle, not confining its focus to details in 1Jn 5:1-12 or 1Jn 5:11,12 (251–52). He views 1Jn 5:16 as a case of a saved person praying for another saved person who receives "life" in the sense of restoration and promotion of his spiritual welfare (260). He usually takes a stand on what a phrase means, gives reasons, and is plain. His comments in the main body, his extensive bibliography (351–60), and frequent footnote references to good sources all exemplify his earnest attempt to give readers light." ([Commentaries for Biblical Expositors: An Annotated Bibliography of Selected Works](#))

Cyril Barber (also referring to the book as does Rosscup) - Hiebert, a Mennonite NT scholar, delves into the letters of John to exact from them the truths that underscore the Christian life and find expression in the kind of walk that pleases the Lord. While he uses the text of the KJV for the benefit of his readers, he works from the original Greek text for his exposition, combining sound exegesis with devotional comments on the text. Here is a volume that is illustrative of the best evangelicalism has to offer. Recommended. (The Minister's Library, Volume 3)

H A IRONSIDE

- [1 John 4 Commentary](#)

James Rosscup - A famous Bible teacher much sought after a few decades back continues to minister after his departure, as A. C. Gaebelin, A. W. Pink, W. H. Griffith-Thomas and others. He is staunchly evangelical, showing good broad surveys based on diligent study, practical turns, even choice illustrations. In prophecy he is premillennial dispensational.

IVP COMMENTARY -

- [1 John 4 Commentary](#)

James Rosscup writes "A lucid 168-pp., crisp exposition with some application in a flow for popular, general use. In a number of verses the book helps, at others it frustrates due to passing by views and reasons, or lacks sufficient comments. Much generalizing leaves an impression that in order to be seen as saved one must live an ideally perfect life (cf. 43), yet at other points one reads that Christians sin (45). **The work has a healthy clarity that real grace, distinct from cheap (see [cheap grace](#)) so-called (but not genuine) grace (51) elicits confession of sin and seeking obedience to God.** Such a life with God helps one's assurance to be a properly experienced reality, as in 1Jn 2:3 (51), even this by grace. Some statements are quite helpful, as "righteous conduct does not make us God's children. Rather, such conduct is the consequence or expression of a relationship that already exists" after rebirth (87). Many issues are left in a blur, for instance "God's seed remains" (1Jn 3:9)." ([Commentaries for Biblical Expositors: An Annotated Bibliography of Selected Works](#))

JAMIESON, FAUSSET, AND BROWN

- [1 John 4 Commentary](#)

- [See also the Unabridged Version](#)

Rosscup - This is a helpful old set of 1863 for laypeople and pastors to have because it usually comments at least to some degree on problems. Though terse, it provides something good on almost any passage, phrase by phrase and is to some degree critical in nature. It is evangelical. There is also a 1-volume edition, briefer at some points (Grand Rapids: Zondervan, 1961). Especially in its multi-volume form this is one of the old evangelical works that offers fairly solid though brief help on many verses. Spurgeon said, "It contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed this and used it diligently" (Commenting and Commentaries, p. 3). Things have changed greatly since this assessment! It is primarily of help to pastors and lay people looking for quick, though usually somewhat knowledgeable treatments on verses.

Rosscup - The treatments of books within this evangelical set vary in importance. Generally, one finds a wealth of detailed commentary, background, and some critical and exegetical notes. Often, however, there is much excess verbiage that does not help particularly. On the other hand, it usually has something to assist the expositor on problems and is a good general set for pastors and serious lay people though it is old.

Rosscup - This evangelical work is both homiletical and expository and is often very good homiletically but weaker otherwise. Helpful in discussing Bible characters, it is weak in prophecy at times because of allegorization. It is not really as valuable today as many other sets for the serious Bible student. The expositions are in the form of sermons.

James Rosscup - Morgan deals with the Bible chapter by chapter, with nearly 300 words on each. He devotes 400 pages to the Old Testament, 150 to the New Testament. It is a stimulating broad evangelical coverage of Scripture, if the reader is looking for synthesis rather than detail. Morgan was a master expositor in the early part of this century. Some of the effort is so general it is of little help except to those looking for sketchy treatment. It is evangelical and premillennial. Morgan is better in such works as *The Crises of the Christ*.
