WILLIAM BARCLAY Daily Study Bible 1 Corinthians Commentary

[D Edmond Hiebert](#) - Uses author's own translation. Especially valuable for the historical background material presented. Good word studies and various illustrations. (from Hiebert's critique of Barclay on Peter's epistles - "Barclay holds that Christ's descent into Hades gave those who there heard Him a second chance.")

Comment: I appreciate Barclay's unique insights on Greek words, but clearly his teaching about a "second chance" is NOT sound doctrine! Be a n [Acts 17:11](#) Berean with Barclay. [See discussion of his orthodoxy](#) especially the article "[The Enigmatic William Barclay](#)".

CHARLES HODGE 1 Corinthians Commentary

See also: [Questions](#) from Charles Hodge adapted to his [Exposition of 1 Corinthians](#).

Spurgeon: The more we use Hodge, the more we value him. This applies to all his commentaries. ([Lectures to my Students, Vol. 4: Commenting and Commentaries](#))

Rosscup: The famous theologian's work, originally in 1857, is very worthy of reprint and much used by pastors, students and lay people in general. As on Romans, he explains each verse in a careful manner, informed by much study, and is particularly adept and helpful in bringing out the doctrinal truth. Those who use his works find much assistance in thinking through issues consistently with Scripture, seen from a Reformed perspective.

Cyril Barber - This important exposition of the doctrine contained in this epistle explains the essence of church member effectiveness, enlarges on the nature of Christian liberty, and discusses the principles and practice of the Christian assembly.

Keith Mathison (Ligonier Ministries): There are many who would ignore these older commentaries in favor of newer works, but in this case at least, that would be a major mistake. Hodge's work is filled with valuable insight into Paul's letter. Highly recommended.

HERMANN OLSHAUSEN A Commentary on Paul's First and Second Epistles to the Corinthians.

Cyril Barber - First published in 1855. This highly esteemed exegetical and expository work enlivens the sacred page and enriches the spiritual life of the reader. "Pays careful attention to the theological exposition, entering into the marrow of religious ideas, and introducing the student to the spirit and inward unity of the divine revelation" (Philip Schaff).
