HENRY ALFORD

(Read his fascinating brief biography - Henry Alford and Phil Johnson's related comments)

James Rosscup writes that Alford's series on the New Testament "contains much that is valuable in the Greek New Testament...though all of the Greek New Testament words have been changed to English throughout." (Commentaries for Biblical Expositors: An Annotated Bibliography of Selected Works).

Charles Haddon Spurgeon (see his comments in following entry on Alford).

Editorial Note: If you are not proficient in Greek, you will find this
work considerably more useful than the following work by Alford, because in this volume he translates the Greek and Latin into English. While the "The Greek New Testament" is longer (e.g., English version of 1John = 66 pages compared to Greek version = 94 pages in part because the latter includes comments of more technical nature), the substance of the commentary is otherwise similar to that found in the "NT for English Readers".

**James Rosscup**: This is a lucid and well-organized exposition of the epistles with many helpful lists on different facets of truth John can have in mind at different points as on “light” and “darkness” in 1 John 1:5. There is stimulating background material and warm application. (Commentaries for Biblical Expositors: An annotated bibliography of selected works).

**D Edmond Hiebert** - Prints the author's own translation. A series of popular studies whose strong point is word study. Contains good illustrative material. Part of the author's interpretation follows a liberal position. Barclay holds that Christ's descent into Hades gave those who there heard Him a second chance.

**Comment**: I appreciate Barclay's unique insights on Greek words, but clearly his teaching about a "second chance" is NOT sound doctrine! Be a n Acts 17:11 Berean with Barclay. See discussion of his orthodoxy especially the article "The Enigmatic William Barclay".

CAMBRIDGE GREEK TESTAMENT - J H Bernard

D Edmond Hiebert - Greek text. The introductions provide a satisfactory study of the problems connected with the Pastorals from a
conservative viewpoint. The exegetical notes on the text of the epistles are thorough, thoughtful, and scholarly.

**Cyril Barber** - This...1886 commentary from the Cambridge Greek Testament series readily interacts with critical issues raised by the publication of the NT texts of Tischendorf and Tregelles. Plummer then treats these letters in a most commendable way, providing some unique insights into the thought of the apostle and the nuances of the original text. ([The Minister's Library, Volume 2](#))

**James Rosscup** writes "Though old, this is a good study from the Greek text which will be helpful in any more advanced study of the epistles. There are other works more highly recommended, however." ([Commentaries for Biblical Expositors: An Annotated Bibliography of Selected Works](#))

RICH CATHERS

- 1 Timothy 6

**Sample Illustration** on 1 Timothy 6:2 - The boss was complaining in the staff meeting the other day that he wasn’t getting any respect. Later that morning he went to a local sign shop and bought a small sign that read, “I’m the Boss”. He then taped it to his office door. Later that day when he returned from lunch, he found that someone had taped a note to the sign that said. “Your wife called, she wants her sign back!”

**Sample Illustration** on 1 Timothy 6:2 - An ambitious, young executive is working late at corporate headquarters one evening. As he comes out of his office about 8:00 PM he sees the Big Boss standing by the shredder in the hallway, a piece of paper in his hand. “Do you know how to work this thing?” the older man asks “My secretary’s gone home and I don’t know how to run it.” “Yes, sir,” says the young executive, who efficiently turns on the machine, takes the paper from the other man, and feeds it in. “Great,” says his boss, “I just need the one copy...”

**Sample Illustration on 1 Timothy 6:10** - Discouragement comes when you try to start with what you wish you had but don't have. And it intensifies when you insist on trying to be in a position you are not in and probably never will be in.-- Stuart Briscoe,

PATRICK FAIRBAIRN 1 TIMOTHY COMMENTARY

Spurgeon's assessment of Fairbairn's pastoral epistles: "What with a good translation, full defense of the Apostolic authorship of the Epistles, fruitful comments, and profitable dissertations, this volume is about as complete a guide to the smaller epistles as one could desire." (From Spurgeon's Commenting on Commentaries - Pastoral Epistles) (Fairbairn is amillennial)

John Cereghin - What a good translation, full defense of the apostolic authorship of the epistles, fruitful comments and profitable dissertations, this volume is as complete a guide to the smaller epistles as one could desire. His old, standard treatment shows how pastors may use the Greek text to aid their exposition. A fine work in spite of its age.

D Edmond Hiebert - Uses the Greek text of Tischendorf and the author's translation on facing pages. A voluminous (nearly 450 pages) exposition by a conservative Scottish theologian. Still worth consulting but devoid of the results of recent scholarship.

Cyril Barber - A particularly appropriate reprint in light of the fact that so many men are leaving the ministry on account of its unusual pressures. Fairbairn provides a delightful example of exegesis aiding the exposition of the text.

A C GAEBELEIN Annotated Bible

James Rosscup - This dispensationally oriented work is not verse-by-verse, but deals with the exposition on a broader scale, treating blocks of thought within the chapters. Cf. also Arno C. Gaebelein, Gaebelein’s
Concise Commentary on the Whole Bible (1 Volume, Neptune, NJ: Loizeaux, 1985), the Annotated Bible revised. The author was a popular evangelical Bible teacher of the first part of the century, much like H. A. Ironside in his diligent but broad, practical expositions of Bible books. Gaebelein was premillennial and dispensational, and editor for many years of Our Hope Magazine.

GENE GETZ - short videos emphasizing life principles

Rosscup - Getz has authored several books on character studies and life-style principles in biblical books. Here again he has much practical helpfulness as he points out traits that believers today can emulate in the enabling of the Spirit. The book is simple, well-organized, and contributive for a leader or any Christian in a devotional series day by day.

MATTHEW HENRY 1 TIMOTHY COMMENTARY

Spurgeon - A Christian man wishing for the cream of expository writers could not make a better purchase. Ministers, as a rule, should not buy condensations, but get the works themselves.

James Rosscup - This evangelical work, devotional in character, has been in constant demand for about 280 years. Its insight into human problems is great, but it often does not deal adequately with problems in the text. The one-volume form eliminates the Biblical text and is thus less bulky. It has sold very well. The late Wilbur M. Smith, internationally noted Bible teacher, seminary professor and lover of books, tabbed this “The greatest devotional commentary ever written”. Henry was born in a Welch farmhouse, studied law, and became a Presbyterian minister near London. He wrote this commentary in the last 13 years before he died at 52 in 1714. The first of six volumes was published in 1708. He completed through Acts, and the rest of the New Testament was done by 14 clergymen. (Ed: Thus James are not the comments of Matthew Henry).

H A IRONSIDE

John Cereghin - Popular expositions. He urges the joy of soulwinning (14); stresses the enabling power of God (34); teaches unlimited redemption in Christ (55); emphasizes that only God can qualify men for the ministry (73); attacks Theosophy, Seventh Day Adventism, Christian Science (103); warns against the "social gospel" (111): holds that the Sermon on the Mount is for all believers (139); warns against evolution (155).

James Rossrup - He is staunchly evangelical, showing good broad surveys based on diligent study, practical turns, even choice illustrations. In prophecy he is premillennial dispensational....Many preachers have found that Ironside works, read along with heavier books on details of exegesis, help them see the sweep of the message and prime their spirits for practical relevance.

- 1 Timothy 6 Commentary

INTERVARSITY PRESS Philip H. Towner

James Rossrup - Favoring authorship by Paul (30-32), Towner provides a succinct, lucid commentary that sometimes explains verses or parts of them, sometimes ignores things (as “especially those who believe,” 4:10; “save both yourself and your hearers,” 4:16; or 2 Tim.
4:8, where the words do not really resolve Towner’s idea that a faithful life is necessary for receiving a crown, final righteousness, with this being of grace and not earned). Overall, the work seems below average, a mixture of being of some help and of little help, this depending on which verse. It will be of mediocre benefit only to those wanting a cursory, yet easily flowing guide. It grew out of Towner’s Ph. D. dissertation under I. Howard Marshall at the University of Aberdeen, Scotland, but does not approach Marshall’s usual kind of serious explanation.

**JAMIESON, FAUSSET, BROWN 1 TIMOTHY COMMENTARY**

**Rosscup** - This is a helpful old set of 1863 for laypeople and pastors to have because it usually comments at least to some degree on problems. Though terse, it provides something good on almost any passage, phrase by phrase and is to some degree critical in nature. It is evangelical. There is also a 1-volume edition, briefer at some points (Grand Rapids: Zondervan, 1961). Especially in its multi-volume form this is one of the old evangelical works that offers fairly solid though brief help on many verses. Spurgeon said, “It contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed this and used it diligently” (Commenting and Commentaries, p. 3). Things have changed greatly since this assessment! It is primarily of help to pastors and lay people looking for quick, though usually somewhat knowledgeable treatments on verses.

**Spurgeon** - A really standard work. We consult it continually, and with growing interest. Mr. Fausset's portion strikes us as being of the highest order.

**My Comment** - This is one of the best older (Pre-1800) works on
interpretation of prophecy as it tends to interpret the text literally and not allegorically.

HENRY PARRY LIDDON 1 TIMOTHY COMMENTARY

Explanatory Analysis of St. Paul's First Epistle to Timothy (1897)
Cyril Barber - This "first century message to twentieth century pastors" is a work of rare merit, and we welcome its reappearance.

Liddon structures the text and intersperses his comments between the structured lines. Interesting but somewhat difficult to follow. There is also a considerable amount of Greek so a working knowledge of Greek would be necessary to derive the most value from this work.

- **1 Timothy 6:11-21 Epilogue**

**LANGE'S COMMENTARY - J J VAN OOSTERZEE**

James Rosscup - The treatments of books within this evangelical set vary in importance. Generally, one finds a wealth of detailed commentary, background, and some critical and exegetical notes. Often, however, there is much excess verbiage that does not help particularly. On the other hand, it usually has something to assist the expositor on problems and is a good general set for pastors and serious lay people though it is old.

- **1 Timothy 6 Commentary**

**JOHN MACARTHUR 1 TIMOTHY SERMONS**

Excellent Expository Sermons. Recommended

Cyril Barber (commenting on MacArthur's printed commentary which is similar to his sermons) - This homiletic exposition ranks as one of the best on Paul’s letter to Titus. It is thorough, practical, and vitally related to the needs of both people and the church. Pastors as well as lay people will appreciate the writer’s insights. Recommended. (The Minister's Library - Volume 3)

James Rosscup - One of the world’s most widely-known pastors gives articulate and rather detailed, basic expositions of verses with arresting illustrations. He deals with word meaning, flow of context, background, and sometimes mentions other views. The works are especially profitable for pastors, students, and lay readers aroused to read about main expositional issues and to grow.
ALEXANDER MACLAREN 1 TIMOTHY SERMONS

James Roscup - This evangelical work is both homiletical and expository and is often very good homiletically but weaker otherwise. Helpful in discussing Bible characters, it is weak in prophecy at times because of allegorization. It is not really as valuable today as many other sets for the serious Bible student. The expositions are in the form of sermons.
