Hint: Click thumbnails below for full image. If map is too large the browser window of Internet Explorer (IE), will automatically resize the map to fit the window (assuming that feature is activated - on IE see Tools > Internet Options > Advanced > Multimedia > Enable automatic image resizing). In IE editions prior to 7.0 click the Automatic Image Resizing icon that appears in the lower-right hand corner of the picture (Click once to enlarge the map and bring the location names and notes into focus. Click again to resize the map to fit the window). On IE 7.0 simply hold pointer over the map and click once for original size then click again to return to resized image (maximum resolution at 100% setting).
