JOSEPH ALEXANDER

Spurgeon had high praise for Alexander's work writing that it "Occupies a first place among expositions. It is a clear and judicious explanation of the text, and cannot be dispensed with. ([Spurgeon, C. H. Lectures to my Students: Commenting and Commentaries](#))

Rosscup adds: This is one of the more thorough older exegetical works on the Hebrew text. It represents a re-working of the famous commentary on Psalms by E. Hengstenberg. ([Commentaries for Biblical Expositors: An Annotated Bibliography of Selected Works](#))
