SOME OF THE NEWER DISCOVERY HOUSE BOOKLETS

[Filled With the Spirit](#)

Being "filled with the Spirit" can have different meanings to different people. It's important to first turn to Scripture to understand who the Holy Spirit is and how He works. When we submit ourselves to Him, we are asking Him to take control or "fill us" so that our thoughts and actions are in line with what God wants. Herb Vander Lugt explains what the Spirit-filled life looks like and how we can experience it to the fullest.

[Navigating The Storms Of Life](#)

Although it would be nice to believe otherwise, problems and trials are an inevitable part of life. In this excerpt of True North, author Gary Inrig encourages you to fix your compass on God as your constant reference point in navigating the storms of life. Discover how you can stay on course and weather the storm when His Word becomes the active tool for directing your life.

[Is Jesus God?](#)

Jesus. Many say He was a great teacher, others claim He was a fraud. Jesus Himself said He was God. To

better understand who He is and why He walked the earth, you need to turn to the Bible. Is Jesus God? The Answer Matters searches the Old and New Testament for evidence, as well as the observations of eyewitnesses and Jesus' own affirmation to be God. Sources apart from the Bible are also examined to see what they have to say about Jesus. Take a look at the evidence to determine the trustworthiness of the Bible and ultimately the identity of Jesus. Contents Include: Looking in the Right Place, The Claims of the Bible, Who Do You Say He Is?

[The Amazing Names of the Messiah](#)

Names have a way of bringing meaning and trust to relationships—most importantly your relationship with God. In this booklet, author Bill Crowder studies the meaning and significance of the names “Wonderful Counselor,” “Mighty God,” “Everlasting Father,” and “Prince of Peace,” as recorded in Isaiah 9:6. Gain a deeper understanding of who God is and why He deserves your trust. Bill Crowder joined the Our Daily Bread Ministries staff after more than 20 years in the pastorate. [God is Love: Reflections on the Character of God](#)

Love can mean different things to different people depending on their situation. That's why Oswald Chambers reminds us to turn to Scripture to find the only true, pure form of love there is—God's love. His love is perfect and powerful, holy and healing. We can't even begin to comprehend it apart from His Word. God Is Love leads you to a place of understanding how God is love and how He demonstrates His love to us in amazing ways.

[Following Jesus: Relationship or Religion?](#)

Is there a difference between “doing for Jesus” and “following Jesus”? While religious activities like attending church, giving money, and praying are all worthwhile, they should be done from a heart of thankfulness for what Christ did for you. He loves a broken heart who wants to serve Him rather than someone who is busy doing the “right things.” Without Jesus at the center, it's all superficial. Understand the difference between religion and relationship so you can please God and find joy in your life.

[Grace: Accepting God's Gift to You](#)

Ephesians 2 uses the phrase “dead in your sins.” But what does that really mean? Dead means lifeless, powerless, inanimate. It means we were incapable of doing anything to change our situation. But God is loving and merciful, and He chose to give us new life. That's the beauty of His grace—we've done nothing to deserve it. He simply gives it to us. And once we're alive in Him, He gives us the privilege of walking in this new life and serving Him.

[The Promises of God](#)

Time and time again in the Bible we see where God is faithful to His promises. They are the heart of the Bible and actually reveal His good, merciful, and trustworthy character. Explore both His conditional and unconditional promises, and know that His promises are perfect even when we don't completely understand them. In The Promises of God, you'll see how God is faithful to His promises, how He fulfills them, and how we can understand them.
