JOSEPH A ALEXANDER Acts Commentary (1857, 1866)

James Rosscup: "This work, originally out in 1857, has proved helpful to many, though it is now far out of date as to literature commenting on Acts. For many basic details verse by verse, it still is of good value and often will help on word meaning and special problems. The fact that it was reprinted is indicative of its respected place in Acts studies."

(Commentaries for Biblical Expositors)

Cyril Barber - A beautifully produced work that brings within the reach of the busy pastor the benefits of this commentator's prodigious labors. A warmly devotional treatment. (The Minister's Library Volume 2)

JACK ARNOLD SERMONS BOOK OF ACTS
WILLIAM ARNOT Acts Commentary

Cyril Barber - These sermons reveal Arnot's thorough awareness of the original text and the milieu of the early church. His material is provocative as well as edifying. Both laypeople and pastors should read this book eagerly in order to better determine the course of the church, its commitments, and the criteria of its fellowship. Recommended.
