BOOKS AVAILABLE TO BORROW ON ARCHIVE.ORG

Explanation - Most of the resources below are newer commentaries (written after 1970) and other Bible resources which previously were available only for purchase in book form or in a Bible computer program. The resources are made freely available by archive.org but have several caveats - (1) they do not allow copy and paste, (2) they can only be checked out for one hour (but can be checked out immediately when your hour expires giving you time to read or take notes on a lengthy section) and (3) they require creating an account which allows you to check out the books free of charge. To set up an account click archive.org and then click the picture of the person in right upper corner and enter email and a password. That's all you have to do. Then you can read these more modern resources free of charge! I have read or used many of these resources but not all of them so ultimately you will need to be a Berean (Acts 17:11+) as you use them. I have also selected works that are conservative and Biblically sound. If you find one that you think does not meet those criteria please send an email at <https://www.preceptaustin.org/contact>. The resources are listed in alphabetical order by the author's last name and some include reviews of the particular resource.

[Moses : a man of selfless dedication : profiles in character](#) by Swindoll, Charles

Cyril Barber - Swindoll is a master in the use of drama, and those who have sat under his ministry readily appreciate his acumen. His writings, however, do not reflect this and leave a great figure such as Moses forever (it seems) in the shadows. On the positive side, this is a useful summary of the great liberator's contribution to the lives of his people

[Changing wanderers into worshipers : from the Exodus to the promised land : Insight for Living Bible study guide](#) by Swindoll, Charles

Do you ever feel like you're wandering through life without a strong sense of purpose or a clear sense of direction? While we all experience such seasons, they don't have to be all we experience. God enjoys turning wandering people into worshippers, transforming drifters into pilgrims who receive His words, follow His ways, believe His promises, and enjoy His presence. That's exactly the work He began through Moses who led the people out of Egypt to Sinai and eventually into the promised land.

[Moses: moments of glory ... feet of clay](#) by Getz, Gene A - How to appropriate God's power today.

[Opening up Exodus](#) by Campbell, Iain

By the time we have read through Exodus we have learned the basic vocabulary of the Gospel - words like blood, redeem, sacrifice, glory, law, tabernacle and passover are all here, part of the great drama in which God saves a people for himself. To study Exodus, therefore, is to come to the heart of the message of redemption, to see God as the Saviour of his people, caring for them and present with them as they journey from Egypt to Canaan, from the house of bondage to the land of promise. Join the journey now!

[Exodus : free to serve](#) by Dray, Stephen - A general guide through each chapter of Exodus including questions.

[Exodus](#) (The Daily Bible Study Series) by Ellison, H. L. (Henry Leopold) (1982) 228 pages.

Rosscup - Surprisingly, barely over a page of introduction precedes a commentary on the RSV set up under brief captions such as "The Burning Bush." He dates the exodus late. Much space is used just printing the RSV, and it breaks up continuity. He assumes the midwives lied, and says apart from the last plague "there is nothing supernatural in the plagues on Egypt" (p. 40). He deems it probable that when Moses thrust a piece of

wood into Marah's waters, "nothing miraculous was intended" (85). Yet to him the manna and the water out of the rock were supernatural (90, 92). Quite a bit of the survey is helpful, even if one is perplexed here and there by Ellison's unnecessary conclusions.

[Holy ground: Expositions from Exodus](#) by White, Douglas M.(1962) 147 pages. I have skimmed it and while not in depth seems to focus on applying the passages to our life in the New Testament.

[Wiersbe's expository outlines on the Old Testament](#) by Wiersbe, Warren W [113 ratings](#)

If not, you can now discover a wonderful new resource. This work is a unique commentary on every book of the Old Testament. It contains new material not to be found in the BE series.

[With the Word](#) - Devotional Commentary - Warren Wiersbe [-27 ratings](#) [428 ratings](#) Comments on each chapter. Wiersbe is always worth checking!

Very well done conservative commentary that interprets Scripture from a literal perspective [user reviews](#)

The King James Version Bible Commentary is a complete verse-by-verse commentary. It is comprehensive in scope, reliable in scholarship, and easy to use. Its authors are leading evangelical theologians who provide practical truths and biblical principles. Any Bible student will gain new insights through this one-volume commentary based on the timeless King James Version of the Bible.

[Wycliffe Bible Commentary](#) - OT and NT - Charles Pfeiffer - 1560 pages (1962). [214 ratings](#) Less detailed than the KJV Bible Commentary.

Rosscup - Conservative and premillennial scholars here have been experts in their fields. The work contains

brief introductions and attempts to give a verse-by-verse exposition, though it does skip over some verses. The treatments vary with the authors, but as a whole it is a fine one-volume commentary for pastors and students to use or give to a layman. Outstanding sections include, for example: Whitcomb on Ezra-Nehemiah-Esther; Culver on Daniel; Ladd on Acts; Harrison on Galatians; Johnson on I Corinthians; and Ryrie on the Johannine Epistles.

[The MacArthur Study Bible](#) - John MacArthur. Brief but well done notes [1,275 ratings](#)

[Believer's Bible Commentary](#) - OT and NT - MacDonald, William (1995) 2480 pages. Conservative. Literal. Often has very insightful comments. One hour limit.

Rosscup - This work, originally issued in 1983, is conservative and premillennial, written to help teachers, preachers and people in every walk of life with different views, explanation and application. The 2-column format runs verse by verse for the most part, usually in a helpfully knowledgeable manner, and there are several special sections such as "Prayer" in Acts and "Legalism" in Galatians. The premillennial view is evident on Acts 1:6, 3:20, Romans 11:26, Galatians 6:16, Revelation 20, etc.
