KEIL & DELITZSCH Commentary on the Old Testament

James Rosscup "Keil, C. F. and Franz Delitzsch. Commentary on the Old Testament. 25 volumes. Grand Rapids: Eerdmans, 1950. This is the best older, overall treatment of a critical nature on the Old Testament Hebrew text verse by verse and is a good standard work to buy. The student can buy parts or the whole of this series. Sometimes it is evangelical, at other times liberal ideas enter." - Exodus 20:1-3 Priority One - If your life is chaotic, it may indicate your priorities are jumbled. Make God priority one in your life and you may be surprised at how easily everything else comes together. Only by starting your priorities right can you hope to end them right. Everything begins with the right priorities, and right priorities begin with God.
