COMMENTARIES AND OTHER RESOURCES THAT CAN BE BORROWED ARCHIVE.ORG

Explanation - The following list includes not only commentaries but other Christian works by well known evangelical writers. Most of the resources below are newer works (written after 1970) which previously were available only for purchase in book form or in a Bible computer program. The resources are made freely available by archive.org but have several caveats - (1) they do not allow copy and paste, (2) they can only be checked out for one hour (but can be checked out immediately when your hour expires giving you time to read or take notes on a lengthy section) and (3) they require creating an account which allows you to check out the books free of charge. To set up an account click [archive.org](#) and then click the picture of the person in right upper corner and enter email and a password. That's all you have to do. Then you can read these more modern resources free of charge! I have read or

used many of these resources but not all of them so ultimately you will need to be a Berean ([Acts 17:11+](#)) as you use them. I have also selected works that are conservative and Biblically sound. If you find one that you think does not meet those criteria please send an email at <https://www.preceptaustin.org/contact>. The resources are listed in alphabetical order by the author's last name and some include reviews of the particular resource.

WARREN WIERSBE [Be encouraged : God can turn your trials into triumphs : NT commentary, 2 Corinthians](#) Wiersbe's commentaries are always worth consulting for preaching and teaching jewels.

WARREN WIERSBE [Be encouraged : God can turn your trials into triumphs : NT commentary, 2 Corinthians](#) (ANOTHER COPY OF THIS BOOK)

[With the Word](#) - Devotional Commentary - Warren Wiersbe - [428 ratings](#)

[The Bible Exposition Commentary](#) - Ephesians through Revelation - Warren Wiersbe

[Bible Exposition Commentary - New Testament](#)

[Wiersbe's Expository Outlines on the New Testament](#) by Wiersbe, Warren W

[Cyril Barber](#) - This is a book of exceptional merit. Pastors, missionaries, and Christian workers will profit from its use. Wiersbe introduces each book of the NT, provides an outline, and then furnishes his readers with a chapter-by-chapter discussion of the contents. The homiletic style is a "plus." Recommended.

[The Preacher's Outline & Sermon Bible : New Testament, King James Version](#) - Acts, Romans, 1 Corinthians, 2 Corinthians, Galatians, Ephesians, Philippians, Colossians - This is a very useful resource which always includes numerous related cross-references. It will be of aid to you preaching and teaching.

PAUL BARNETT [The message of 2 Corinthians : power in weakness](#) The Bible Speaks Today. Downers Grove, IL: InterVarsity Press, 1988.

Cyril Barber - With remarkable brevity Barnett gets to the heart of Paul's second letter to the believers in Corinth. He cuts through extraneous material and presents his readers with a clear exposition of the meaning of the text.

James Rosscup - A flowing, competent, broad commentary on the message of sections and on Paul as a minister and human being with weaknesses facing problems and criticisms but experiencing God's power in his weakness. Barnett often has good application to concerns today. He devotes more detail to chapters 1-6 (100 pp.), and is cursory on such problems as "thorn" (Chapter 12). The book is a refreshment for a series of devotional times and often a catalyst for grasping and ministering the Word.

C K BARRETT - [A commentary on the Second Epistle to the Corinthians](#)

Cyril Barber - Harper's New Testament Commentaries. New York: Harper & Row, 1973. An exegetical study that will be of help to the expository preacher. Barrett is always worth consulting.

KENNETH CHAFIN [The Communicator's Commentary. 1, 2 Corinthians](#) by Chafin, Kenneth [9 ratings](#) (Now published as The Preacher's Commentary)

James Rosscup says this is part of "A 12-vol. set done by 12 men selected for unusual ability to show the Bible is alive in biblical exposition, with spiritual refreshment and insight. The authors seek to combine scholarship on biblical meaning, illustrations to spark applications, and outlines."

F W DANKER [II Corinthians](#) - Augsburg Commentary. Augsburg Publishing House, 1989.

Cyril Barber - Danker is a careful expositor and a man of remarkable erudition and perception. Here is a brief exposition that many will find helpful.

CHARLES ERDMAN [The Second epistle of Paul to the Corinthians: an exposition](#)

PHILIP EDGCUMBER HUGHES [Paul's Second epistle to the Corinthians \(Another copy of this book\)](#)

James Rosscup - This is detailed (508 pages), uses the Greek carefully, discusses technical details in the footnotes, deals carefully and sometimes at length with problems, and shows acquaintance with a great number of other works. It is one of the finer earlier contributions to the NIC series.

[Logos.com](#) - Hughes is a GREAT commentator. Everything I've read by him is chock full of solid theology and interpreting Scripture with Scripture. VERY rich reading that stirs the heart. (Martin Stidham)

ROBERT B HUGHES [Second Corinthians](#) from Everyman's Bible Commentary series.

COLIN KRUSE [The Second Epistle of Paul to the Corinthians : an introduction and commentary](#) - Tyndale NT Commentaries

James Rosscup - R. V. G. Tasker's work served well for years, but Kruse's replaces it with stronger exegesis. It is a fairly concise evangelical effort that brings together much that is of help in following the thought through and dealing with problems in a well written flow, using the NIV.

Tim Challies - Colin Kruse's contribution to the Tyndale New Testament Commentary series is the place to begin for someone looking for a relatively short and general-level commentary. This one fits within the limitations of that series which makes it especially helpful for the person who is doing a quicker and less in-depth study.

ROY L LAURIN [Second Corinthians : where life endures \(Another copy\)](#) Kregel Publications, 1985.

D A Carson - "The sermons in this book are lightly edited versions of the regular ministry at Eden Baptist Church, Cambridge. They will help all who take the Bible seriously not only to understand 2 Corinthians better but also to apply that letter from Paul's hand to us who live at the end of the twentieth century....Here is powerful exposition of the Gospel of God -- spiritual nourishment for believers everywhere, and a robust model for preachers who want to improve their own gifts."

Cyril Barber - With genuine devotional warmth, Laurin explains how life endures and matures in accordance with the plan and purpose of God. Recommended.

KNOFEL STATON [Second Corinthians : unlocking the Scriptures for you](#)

[Logos.com](#) - This nontechnical commentary on Second Corinthians analyzes the continued problems the church in Corinth faced. It provides a look into the historical, cultural, and religious contexts surrounding the epistle, and illustrates how the message of First Corinthians is still contemporarily relevant in today's churches.

RAY STEDMAN [Expository studies in 2 Corinthians: power out of weakness](#)

R PAUL STEVENS - [2 Corinthians](#) - 12 Studies - Lifebuilder Bible Study (See also [2 Corinthians](#))

CHARLES SWINDOLL [A minister everyone would respect : a study of 2 Corinthians 8-13](#)

R V G TASKER [The Second epistle of Paul to the Corinthians : an introduction and commentary](#)

James Rosscup - This is a good brief conservative work which, among other things, argues for the unity of the epistle. Kruse's study has replaced it.

MARGARET THRALL - [A critical and exegetical commentary on the second epistle to the Corinthians](#)

Cyril Barber - Thrall, Margaret E. A Critical and Exegetical Commentary on the Second Epistle to the Corinthians. Edinburgh: T. and T. Clark, 1994- . Replaces the earlier work by Plummer. Gives evidence of the writer's exacting scholarship. Makes plain the meaning of the original text. From the distinctions drawn by Miss Thrall the perceptive pastor should be able to enliven and sharpen the focus of each expository message that he bases on this very personal epistle.

GEOFFREY B WILSON [2 Corinthians; a digest of reformed comment](#)

Banner of Truth - Geoffrey Wilson's commentaries constitute a wonderful collection of quotes by a multitude of authors such as J. C. Ryle, A. W. Pink, B. B. Warfield, R. L. Dabney, Charles Hodges, John Calvin, Robert Haldane, Abraham Kyper to name a few in addition to Geoffrey Wilson's own thoughtful and enlightening commentary. It would take most of us many years to study the sermons and works of so many reformed and Puritan authors and select and apply their very insightful comments to each verse, but praise be to God, Geoffrey Wilson has done that for us. I highly recommend these commentaries for sermon-and-lesson preparation, for individual Bible study, and as devotional reading for one's personal edification. ([Jon Butcher](#))

BEN WITHERINGTON III [Conflict and community in Corinth : a socio-rhetorical commentary on 1 and 2 Corinthians 7 ratings](#)

Bruce W. Winter, Tyndale House, Cambridge - Ben Witherington has produced an innovative commentary on

1 and 2 Corinthians, making use of both ancient and modern tools to highlight aspects of the Corinthian situation and of the argument of Paul's letters that have not been unearthed by previous commentators.

STUDY BIBLES, BIBLE DICTIONARIES, GENERAL REFERENCE WORKS

Note: The first 4 resources have no time restriction and allow copy and paste function:

(1) [KJV Bible Commentary](#) - Hindson, Edward E; Kroll, Woodrow Michael. Over 3000 pages of the entire OT/NT. Well done conservative commentary that interprets Scripture from a literal perspective. Pre-millennial. [User reviews](#) - it generally gets 4/5 stars from users. - [372 ratings](#)

Very well done conservative commentary that interprets Scripture from a literal perspective [user reviews](#)

The King James Version Bible Commentary is a complete verse-by-verse commentary. It is comprehensive in scope, reliable in scholarship, and easy to use. Its authors are leading evangelical theologians who provide practical truths and biblical principles. Any Bible student will gain new insights through this one-volume commentary based on the timeless King James Version of the Bible.

(2) [The King James Study Bible Second Edition](#) 2240 pages (2013) (Thomas Nelson) General Editor - Edward Hindson with multiple contributing editors. . [3,194 ratings](#). Pre-millennial. See [introduction on How to Use this Study Bible](#)

(3) [NKJV Study Bible: New King James Version Study Bible](#) (formerly "The Nelson Study Bible - NKJV") by Earl D Radmacher; Ronald Barclay Allen; Wayne H House. 2345 pages. (1997, 2007). Very helpful notes. Conservative. Pre-millennial. [917 ratings](#)

(4) [The Wycliffe Bible Commentary - only the New Testament](#) (for OT see below to borrow) - 1126 pages. (1971) Everett F Harrison - Editor of New Testament. Uses the KJV. Strictly speaking not a study Bible, but short notes are similar. KJV text in left column, commentary notes in right column. The comments are generally verse by verse, short, conservative and to the point. Pre-millennial.

Rosscup - Conservative and premillennial scholars here have been experts in their fields. The work contains brief introductions and attempts to give a verse-by-verse exposition, though it does skip over some verses. The treatments vary with the authors, but as a whole it is a fine one-volume commentary for pastors and students to use or give to a layman. Outstanding sections include, for example: Whitcomb on Ezra-Nehemiah-Esther; Culver on Daniel; Ladd on Acts; Harrison on Galatians; Johnson on I Corinthians; and Ryrie on the Johannine Epistles.

[Zondervan NIV Study Bible](#) - (2011) 2570 pages - Use this one if available as it has more notes than edition below. One hour limit

[NIV Study Bible](#) by Barker, Kenneth L; Burdick, Donald W (1995) 2250 pages. This is the first edition. This resource has been fully revised in 2020. One hour limit

[Believer's Bible Commentary](#) - OT and NT - MacDonald, William (1995) 2480 pages. Conservative. Literal. Often has very insightful comments. John MacArthur, says "Concise yet comprehensive - the most complete single-volume commentary I have seen." Warren Wiersbe adds "For the student who is serious about seeing Christ in the Word." One hour limit.

Rosscup - This work, originally issued in 1983, is conservative and premillennial, written to help teachers, preachers and people in every walk of life with different views, explanation and application. The 2-column format runs verse by verse for the most part, usually in a helpfully knowledgeable manner, and there are several special sections such as "Prayer" in Acts and "Legalism" in Galatians. The premillennial view is evident on Acts 1:6, 3:20, Romans 11:26, Galatians 6:16, Revelation 20, etc.

[HCSB Study Bible : Holman Christian Standard Bible](#) - General Editor Jeremy Royal Howard (2010) 2360 pages. Conservative. Good notes. Include Holmans excellent maps.

[The MacArthur study Bible](#) - John MacArthur. Brief but well done notes for conservative, literal perspective. [1,275 ratings](#)

[ESV study Bible](#) - Excellent resource but not always literal in eschatology and the nation of Israel [6,004 ratings](#)

[The David Jeremiah Study Bible](#) - (2013) 2208 pages. [2,272 ratings](#)

[New Bible Commentary](#) - (1994) [See user reviews](#)

[Compact Bible commentary](#) by Radmacher, Earl D; Allen, Ronald Barclay; House, H Wayne, et al - 954 pages. [424 ratings](#) Multiple contributors to the comments which are often verse by verse. The comments are brief but meaty and can really help your study through a given book. A sleeper in my opinion.

[The Experiencing God Study Bible: the Bible for knowing and doing the will of God](#) - Blackaby, Henry (1996) 1968 pages - CHECK THIS ONE! Each chapter begins with several questions under the title "PREPARE TO MEET GOD." Then you will interesting symbols before many of the passages. The chapter ends with a "DID YOU NOTICE?" question. This might make a "dry chapter" jump off the page! Read some of the [48 ratings](#)

[Disciple's study Bible: New international version](#) [54 ratings](#) Not that helpful for verse by verse study. Focuses on application of Christian doctrines. 10,000 annotations; doctrinal summaries, "Life Helps" section relate doctrine to everyday discipleship.

[The Living Insights Study Bible : New International Version](#) - Charles Swindoll. Notes are good but somewhat sparse and not verse by verse.

[The Holman illustrated study Bible](#) [120 ratings](#) Includes the excellent Holman maps but otherwise of little help in serious study.

[NIV Celebrate Recovery Study Bible](#)

[The Hebrew-Greek key study Bible : New American standard study](#) by Strong, James, 1822-1894; Zodhiates, Spiros

[The New Inductive Study Bible : updated New American Standard Bible](#) - Introductions of each book give suggestions how to

perform an inductive study on that specific book. Not strictly speaking a "study Bible" with notes but a Bible to help you study inductively. Has wide margins for making notes. This is one that works best in "paper," not digitally.

[Evangelical Commentary on the Bible](#) - Judges by Andrew Boling (20 pages); editor Walter Elwell (1989) 1239 pages. [User reviews](#). (See also Boling's [380 page commentary on Judges](#) the Anchor Bible Series)

[Halley's Bible Handbook](#) Henry H. Halley - (2000) 2720 pages (much larger than original edition in 1965 and no time limit on use). ([Halley's Bible handbook : an abbreviated Bible commentary - one hour limit](#) 1965 872 pages)

Rosscup - A much-used older evangelical handbook bringing together a brief commentary on Bible books, some key archaeological findings, historical background, maps, quotes, etc. It is helpful to a lay Bible teacher, Sunday School leader, or pastor looking for quick, pertinent information on a Bible book. This is the 72nd printing somewhat revised. Halley packed in much information. Unger's is better overall, but that is not to say that Halley's will not provide much help on basic information.

[The Shaw Pocket Bible Handbook](#) - Editor - Walter Elwell (1984) 408 pages.

"This hardback is small in size but packed full of content: Brief summaries of every book of the bible, cultural, archaeological and historical info, word definitions, pictures, maps and charts." Worth checking!

[The Lion handbook to the Bible](#) - (1999) 822 pages. This resource is absolutely loaded with very nice color pictures and charts.

[Dictionary of Paul and his letters](#) [180 ratings](#) IVP Series The Dictionary of Paul and His Letters is a one-of-a-kind reference work. Following the format of its highly successful companion volume, the Dictionary of Jesus and the Gospels, this Dictionary is designed to bring students, teachers, ministers and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship. No other single reference work presents as much information focused exclusively on Pauline theology, literature, background and scholarship. In a field that recently has undergone significant shifts in perspective, the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies. In-depth articles focus on individual theological themes (such as law, resurrection and Son of God), broad theological topics (such as Christology, eschatology and the death of Christ), methods of interpretation (such as rhetorical criticism and social-scientific approaches), background topics (such as apocalypticism, Hellenism and Qumran) and various other subjects specifically related to the scholarly study of Pauline theology and literature (such as early catholicism, the center of Paul's theology, and Paul and his interpreters since F. C. Baur). Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today.

[Dictionary of the later New Testament & its developments](#) [71 ratings](#) IVP Series The third of IVP's critically acclaimed series of dictionaries of the New Testament provides focused study on the often-neglected portions of the New Testament: Acts, Hebrews, the General Epistles, and Revelation. Furthermore, its scope goes beyond the life of the New Testament church to include the work of the apostolic fathers and early Christianity up through the middle of the second century.

[Dictionary of New Testament background](#) [79 ratings](#) IVP Series In a time when our knowledge of the ancient Mediterranean world has grown by leaps and bounds, this volume sets out for readers the wealth of Jewish and Greco-Roman background that should inform our reading and understanding of the New Testament and early Christianity. The Dictionary of New Testament Background takes full advantage of the flourishing study of the Dead Sea Scrolls and offers individual articles focused on the most important scrolls. In addition, the Dictionary encompasses the fullness of second-temple Jewish writings, whether pseudepigraphic, rabbinic, parables, proverbs, histories or inscriptions. Articles abound on aspects of Jewish life and thought, including family, purity, liturgy and messianism. The full scope of Greco-Roman culture is displayed in articles ranging across language and rhetoric, literacy and book culture, religion and cults, honor and shame, patronage and benefactors, travel and trade, intellectual movements and ideas, and ancient geographical perspectives. No other reference work presents so much in one place for students of the New Testament. Here an entire library of scholarship is made available in summary form.

[Dictionary of deities and demons in the Bible \(DDD\)](#) - 950 pages (1995) Read some of the [65 ratings](#) (4.8/5 Stars). A definitive in depth resource on this subject. Very expensive to purchase.

WORD STUDY RESOURCES GREEK AND HEBREW

NOTE - All of these resources can be borrowed from archive.org. This list also includes resources to help study the Bible.

See also the [list of Word Study Resources](#)

[The Complete Word Study Dictionary: New Testament](#) by Zodhiates, Spiros - This is my "go to" resource for Greek word studies. One of the best lexicons for laymen. Highly Recommended for Greek Word Studies to aid your interpretation of a passage.

[Analytical Lexicon of the Greek New Testament](#) by Friberg, Timothy. Shorter definitions than Zodhiates but does an excellent job in summarizing the various nuances of a specific Greek word. One of my favorites.

[Shorter Lexicon of the Greek New Testament](#) by Gingrich, F. Wilbur. Similar to Friberg but shorter definitions. Gingrich however gives more Scriptures for each nuance, whereas Friberg generally gives only one representative Scripture.

[The New Linguistic and Exegetical Key to the Greek New Testament](#) by Rogers, Cleon - This book is a gold mine of little gems on individual Greek words in any NT passage you are studying. If you have time it is always worth checking out! I use it in my [Greek word studies](#) all the time.

[New Testament Words](#) - William Barclay - [59 ratings](#) very interesting resource - covers about 70 NT Greek words in Barclay's unique style. On page 289 there is a helpful index of English words with the corresponding Greek word, in turn followed by the places Barclay described them in [New Testament Words](#) and in his Daily Study Bible series ([see list of DSB commentaries here](#)). E.g., take the Greek word for "Covetousness" which is pleonexia and is found in [New Testament Words](#) on page 61 and pp 233-235 and is also described in the Daily Study Bible entries for : Mark 7:14-23; Ro 1:28-32; Eph. 4:17-24; Col. 3:5. So you can click the [DSB commentary on Mark 7](#) and scroll down to Mark 7:14 to see Barclay's entry for pleonexia which concludes "Pleonexia (G4124) is that lust for having which is in the heart of the man who sees happiness in things instead of in God." Interesting!

[Greek-English lexicon of the New Testament : based on semantic domains](#) - Louw Nida. Brief but nice definitions. Not easy to use - you need to know some Greek. Classifies Greek words into 93 "semantic domains" (see list on page XXV) and if you can categorize the word you are looking for in one of the domains, it can help find the specific word you are interested in.

[Kittel's Theological Dictionary of the New Testament : abridged in one volume](#) (TDNT) - Classic ("Little Kittel") work summarizing the 10 volume set by Kittel. For most of us the abridged definition is "more than enough!"

[A Greek-English lexicon of the New Testament, and other early Christian literature](#); by Bauer, Walter, More detailed definitions but need to know Greek. Zodhiates and Friberg much easier to use.

[Liddell and Scott's Greek-English lexicon, abridged : the little Liddell](#) by Liddell, Henry George. The abridged version. You need to know Greek to use.

[Exegetical dictionary of the New Testament](#) (Volume 1 - A thru E); [Exegetical dictionary of the New Testament](#) (Volume 3- P thru ...) Volume 2 not available. I do not find this adds much to the easier to use resources like Zodhiates and Friberg.

[A pocket lexicon to the Greek New Testament](#) by Souter, Alexander. Brief definitions. Need to know some Greek. Not that helpful.

[Vine's Expository Dictionary of Old Testament and New Testament Words](#) - pdf. The old standby. You can also borrow [Vine's complete expository dictionary of Old and New Testament words](#)

JOHANN A BENDEL Gnomon of the New Testament

James Rosscup writes "This work (Gnomon), originally issued in 1742, has considerable comment on the Greek, flavoring the effort with judicious details about the spiritual life. It has much that helps, but has been surpassed by many other commentaries since its day." ([Commentaries for Biblical Expositors: An Annotated Bibliography of Selected Works](#) or [Logos](#))

- [2 Corinthians 2](#)

JOHANN BENDEL The Critical English Testament

C H Spurgeon -- "A Critical New Testament, so compiled as to enable a reader, unacquainted with Greek, to ascertain the exact English force and meaning of the language of the New Testament, and to appreciate the latest results of modern criticism.' Such is the professed aim of this commentary, and the compilers have very fairly carried out their intentions. The whole of Bengel's Gnomon is bodily transferred into the work, and as one hundred and twenty years have elapsed since the first issue of that book, it may be supposed that much has since been added to the wealth of Scripture exposition; the substance of this has been incorporated in brackets, so as to bring it down to the present advanced state of knowledge. We strongly advise the purchase of this book, as it is multum in parvo, and will well repay an attentive perusal. Tischendorf and Alford have contributed largely, with other German and English critics, to make this one of the most lucid and concise commentaries on the text and teachings of the New Testament" ([Spurgeon, C.
