- [Joshua 1:1-18 This Land Is Our Land](#) - Excerpt - In our age, there are many misunderstandings surrounding the Christian life. A trip to the local Bible bookstore bears this out. The shelves are lined with books that claim to be able to teach us how to make the Christian life easier for the believer and the church more acceptable to the world. The truth of the matter is that there is nothing easy or acceptable about the Christian life. It is not always easy to live for Jesus. The Gospel of Jesus Christ will never be acceptable to the world. We are not out for a day in the park! We are not on a playground; we are on a battleground! We are engaged in warfare with a spiritual enemy who is far more powerful than we are, Eph. 6:12, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places." In our own strength, we cannot defeat our enemies! The good news is this: our enemies are nowhere near as powerful as our God. 1 John 4:4b, "... because greater is he that is in you, than he that is in the world." Thus, even in the midst of our battles, there is always hope for victory. Rom. 8:31, "What shall we then say to these things? If God be for us, who can be against us?" Rom. 8:37, "Nay, in all these things we are more than conquerors through him that loved us." In fact, the Bible tells us that we are the recipients of victory through the Lord Jesus Christ. 1 Cor. 15:57, "But thanks be to God, which giveth us the victory through our Lord Jesus Christ." While we are engaged in the battle with evil, there is the expectation that we can and will walk in victory in our lives. For me, this is what the book of Joshua represents. As this book opens Moses, the great leader of Israel has died and a new leader named Joshua has been appointed to lead the nation of Israel into Canaan. After 40 years of wandering in the wilderness, Israel is about to take possession of the land God promised Abraham many centuries earlier. Gen. 12:7, "And the LORD appeared unto Abram, and said, Unto thy seed will I give this land: and there builded he an altar unto the LORD, who appeared unto him." This book is about the battles Israel faced in order to claim that promise from God. **Joshua is a book about warfare, painful defeats, suffering and great victories. It is**

**a book that has much to teach the modern Christian much about obtaining spiritual victory in our lives....**Today, I am beginning a series of sermons that will move us through the book of Joshua. As we journey through this powerful, special book I want to take the time to visit a few mountaintop vistas that we find along the way. I am entitling this series, The Dawning Of A New Day. My goal in preaching it is help you to stop wandering around in the wilderness and to enter into your Canaan Land of spiritual victory. It is my desire to help our church move past the pain and problems of the past into the peace and power of the Lord's rest. It is my prayer that, through the preaching of the Word of God, we will witness The Dawning Of A New Day in our lives as individuals and in our church.

## RAY STEDMAN - overviews of Joshua

- [Joshua: The Way to Victory: Joshua](#)
- [Joshua: Guidebook to Victory](#) (or [listen to mp3](#)) - **Transcribed excerpt from the audio** - some of what Dr Stedman says in his introduction is for some reason **NOT** recorded in the associated transcript which is too bad.

"And I wonder how many have been able to read through the book of Joshua today...here are 2 hands! Anyone else? Well, when you meet Joshua up in heaven, you can explain to him why you did not have time. Joshua is the guidebook to victory. What a tremendous book. I think there is no book in the Bible that is so packed with helpful, practical lessons as the book of Joshua. **No book has been more helpful to me in grasping the principles of spiritual life than the book of Joshua and this includes all the books of the New Testament as well!** There's no book that's so challenging in its concepts and so thorough in its analysis of life than this book...if you know how to read it. There's a key of course to the book of Joshua as there is to every book of the Bible. That key is the pattern given to us in the New Testament, where Paul says "Now these things happened to them as an example (FOR US). What Israel went through in their actual historical experiences become figures, become patterns, metaphors that we can apply to the spiritual battles, the spiritual journey, the pilgrimage on which we are launched and they have an exact and accurate application to us." And if you read the books of the OT with this key in hand, it becomes a very vivid and a very fascinating book. I almost hesitate to begin this survey of the book of Joshua because I am so captured by the lessons involved in so many places through this book that I tend to bog down in details. It's hard to keep going in an overall survey. And I hope you'll bear with me....so that we can get through the book in the time allotted to us, for my tendency is to stop and look more closely at some of these tremendous illustrations of the spiritual life. There are two books of the Old Testament that I would strongly recommend that every Christian master its message. These are two books that I particularly feel every young Christian ought to know. One is the book of Joshua and the other is the book of Daniel for these messages are primarily designed for young Christians as they are engaged in the first full impact in their battle against the world, the flesh and the devil. If you feel the force of the opposing powers; if the tremendous, subtle deceptiveness of the principalities and powers against which we are engaged have come upon you so that you sense that you are in the conflict (Ephesians. 6:12), I urge upon you the book of Joshua and the book of Daniel."
