**Rosscup:** This work, later called Preaching Through the Bible (Baker Book House), is **rich in its applications and exhortations**, though often not particularly helpful for the reader who is looking for exposition that stays right with the text. ## SERMON AUDIO Joshua

**NOTE:** There are literally 1000's of sermons but the quality varies so please exercise a Berean mindset (Acts 17:11<sup>+</sup>). Check out the Pdf's which can be a useful source of preaching and teaching ideas but use discernment. Some of the Pdf's are just church bulletins, some are fill in the blanks as you follow the sermon, some are short outlines, some are more longer transcripts of the entire sermon. You have to search through these.
