

# 2.1 - Audio Course

## 2.1 - Audio Course

A companion audio course on the book of Revelation is available over the Internet from [www.SpiritAndTruth.org/teaching/5.htm](http://www.SpiritAndTruth.org/teaching/5.htm) The course includes audio recordings of many of the background topics as well as verse-by-verse teaching through the entire book of Revelation. The course is available in a variety of formats and can be downloaded to your computer for more convenient access or future reference.

Audio Teaching Button

Wherever the audio button appears within the commentary, a related audio presentation is available on the companion CD or at the [www.SpiritAndTruth.org](http://www.SpiritAndTruth.org) website. In digital versions of the commentary, you may click on the button with your mouse to listen to the audio presentation. The commentary is also available in a variety of [other formats](#).
