JOHN MACARTHUR Sermons on Philemon

This series by MacArthur in 1991 is entitled **"Forgiveness: How to Restore Broken Relationships"** - It's the simple mathematics of being human. Two people plus one relationship equals inevitable pain. One unkind word, careless act, or intentional attack, and a gulf is opened that could potentially damage a relationship forever. That's where the need for real, biblical forgiveness comes in. Forgiveness can heal even the worst damage between husbands and wives, children and parents, longtime friends, and everyone in between. In *Forgiveness*, John MacArthur looks to the life of Philemon to illuminate one of Scripture's greatest examples of human forgiveness in action.

W. GRAHAM SCROGGIE "A NOTE TO A FRIEND" Paul to Philemon

Comment: This excellent commentary is filled with "pearls," is a very easy to understand and is imminently applicable to real life. Scroggie writes 171 pages on ONE CHAPTER and discusses not just each verse but even each phrase. **Excellent exposition!**

D Edmond Hiebert an excellent expositor in his own right writes - "An in-depth study of this brief letter, based upon a detailed outline, with warm practical lessons. Richly rewarding."

Dr John Cereghin pastor and writer of a <u>short work on Philemon</u> comments - " A rewarding and in depth study. One of the best ever produced on this epistle." (I agree!)

Excerpt - A Note to a Friend - When a Field-Marshal, such as Paul was, speaks of a "private," such as Archippus was, as a "fellow-soldier," he may reckon on that Tommy to follow him in the fight to the death.

When a master-workman, such as Paul was, speaks of an obscure person like Philemon as his "fellowworker," he has made him capable of better work than ever before.

It is this "milk of human kindness" that feeds our hearts; it is generous acknowledgment and praise, such as Paul bestoweed, that tone up life and service, and make men and women capable of unthought-of deeds.

Let us from this simple yet profound introduction learn what Christianity is at its best.
